

MARLUG 2005 - 17th Annual Conference
Thursday, October 6, 2005
Johns Hopkins University Applied Physics Laboratory (APL)
Laurel, MD

Mid-Atlantic Region Local Users Group

Letter To Exhibitors

Dear Trade Show Exhibitor,

Welcome to the 17th Annual Conference of the *Mid-Atlantic Region Local Users Group*! The conference will be held October 6, 2005 at John Hopkins University Applied Physics Lab (APL).

As in previous years, we will hold our annual MARLUG Trade Show during the conference to provide a forum for vendors to share their experiences with our membership.

The trade show will be held all day during the conference--Thursday, October 6th. Presentations may be scheduled by the exhibitor but should be technical in nature. To help you attract the shy ones, we're offering door prize tickets at the exhibit booths!

Donations of door prizes to MARLUG are always welcomed.

The booth fee is \$600.00 for exhibitors who register by September 10th and remit payment by September 17th. Exhibitors that register after September 17th and remit payment by October 3rd will be charged a booth fee of \$750.00.

This is not the end of our conference communication...it's just the beginning. All the conference information will be updated continually on the [MARLUG](#) home page. As the conference draws near, you'll be able to find out which vendors will be at the trade show, see what the users are seeing and much, much more. Check out the site weekly to keep abreast of the latest developments.

If you are new to MARLUG or would like additional information, please contact me (Jeff) or the MARLUG Chair (Nick DeMatt). See you at MARLUG 2005!
