

The steps for vendor registration follows.

1. Decide how you want to pay for your booth. The cost is \$600 if you register your company by September 17th and \$750 if you register after.

- A. Send a check to
MARLUG
PO Box 1082
Sykesville, MD 21784-1082
- B. Have an invoice sent.
Will need to know mailing address & PO number
- C. Pay by Paypal (see the attached document).

2. Send me email of which method you are using and your company is registered. However, you are not done yet!

3. Go to our web page

http://www.mugweb.org/lugs/marlug/conferences/2005/registration_form.html.

There you will need to register the names of the people attending. As there is no vendor push button (sorry, but the registration web page took so long to get up, that we are reluctant to make any change to it) please

use the MARLUG OFFICER (fee waived push button). You are allowed to register up to 3 people at no additional fee.

This step is most important as it allows us to generate the name tags and more importantly it's the way we keep track of how many people we need to order food for! :-)

Thank you for your interest in MARLUG 2005 and hope to see you there.
