

## **Getting Started with the Constraint Editor System (CES) (12pm-4pm).**

This Workshop introduces the Constraints Editor System (CESE), and describes how to define and adhere to physical design constraints. The workshop features several hands-on labs that illustrate the benefits of using CES, as well as best practices for new users.

**Note:** Workshop is located at the Mentor Graphics Columbia office.

Symphony Woods Office Center  
5950 Symphony Woods Road  
Columbia, MD 21044.

Only 5 minutes from John Hopkins.
