

7:30 - 8:30	Registration / Continental Breakfast					
8:30 - 8:45	Opening Remarks					
9:00-10:00	Keynote: Henry Potts - Technology Leadership through Innovation - Meeting the Challenges					
	Expedition	PADS	General	High-Speed	IC - ASIC	FPGA
10am-11am	Automation for the Expedition Enterprise Flow - Kendall Hiles, Mentor Graphics	Reverse Engineering Gerber Files - Ray Fugitt, Downstream Technologies	Macrovision's FLEXNet – Hype or Hope? - Rachel Stanley, Honeywell	The High-Speed Serial link Designers Survival Guide (Eric Bogatin) - Presenter by Pat Carrier, Mentor Graphics	Enabling MPRUN In Eldo/ADMS -- Problems and Solutions - Abhishek Bhaduri, Cypress Semiconductors	SystemVerilog for FPGA Designers (hands-on workshop) - Ehab Mohsen, Mentor Graphics
11:00-12:00	Closed-Loop High Speed Design Process - L-3 Communications & Ted Lin, Mentor Graphics	Tips & Tricks with PADS & High-Speed - Ernie Frohring, Trilogic	Customizing your Search with the MGC Documentation System - Sarah Leritz-Higgins, Mentor Graphics	Using Hyperlynx 7.7 for Batch Mode for Inter-Component and Multi-Board Simulations - Alex Golian, Northrup	Fast ECO Closure using Calibre - Priyanka Bhan, Freescale	
12:00-1:00	Lunch					
1:00 - 2:00	Package Type to Package Type Placement - David Long, Scientific Atlanta	Integrating the Common CAD Library with a Global Enterprise System using the Dx-PADS Workflow - Ed Turngren, Andrew Corporation	Introducing BluePrint for PCB Documentation - Joe Clark, DownStream Technologies	Altera/HyperLynx - Bob Hedrick, Altera	inFact - Pete LaFauci, Mentor Graphics	Introducing Mentor's Newest Addition to the Precision Synthesis Product Family - Ehab Mohsen, Mentor Graphics
2:00-3:00	Expedition Enterprise Update - Glenn Dickow, Mentor Graphics	PADS Product Update - Jim Oakley, Mentor Graphics	Board Station XE: The Next Generation Design Flow - Steve Shively, Mentor Graphics	High-Speed Product Update - Pat Carrier, Mentor Graphics	Catapult C: High Level Synthesis Technology - Mike Bradley, Mentor Graphics	FPGA Product Update - Dan Gardner, Mentor Graphics
3:00-4:00	SupportNet Update - Christine Egli, MGC					
4:00 - 5:00	Reception					
9:00 - 4:00	Mentor Graphics' Usability Lab - All Day Event (Sarah Leritz-Higgins)
